Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Kindly amend the claims as follows:

1. (Currently amended) Snap away musical instrument picks, comprising:
a sheet of material with at least one musical instrument pick formed therein by at least one cut line around a portion of the pick, with at least one uncut area around the at least one pick defining a web joining the at least one musical instrument pick to a card body outside of the at least one cut line, wherein the pick can be detached from the card body by severing the webs, the card body comprising an aperture for carrying the card body and its at least one pick on another structure.
2. (Original) The snap away musical instrument pick of claim 1, wherein the sheet of flat material comprises generally rigid plastic sheet material.
3. (Original) The snap away musical instrument pick of claim 1, wherein the cut lines are formed by die cutting.
4. (Original) The snap away musical instrument pick of claim 1, wherein the sheet of flat material is sized to carry between three and five picks.
5. (Original) The snap away musical instrument pick of claim 1, wherein the plurality of picks on a sheet have the same size and shape.

6. (Original) The snap away musical instrument pick of claim 1, wherein the plurality of picks on a sheet are different in at least one of size and shape.

7. (Cancelled)

8. (Currently amended) The snap away musical instrument pick of claim [7] 1, wherein the aperture is one of preformed on the card body and comprises a break-away section that can be readily removed to expose the aperture when desired by the user.

9. (Original) The snap away musical instrument pick of claim 1, wherein each pick is attached to the card body by a single web.

10. (Original) The snap away musical instrument pick of claim 1, wherein the card body is elongate and carried a plurality of picks in a single line.

11. (Original) The snap away musical instrument pick of claim 1, wherein the sheet of flat material is selected from the group consisting of plastic sheet material, shell, bone, metal and paper.

12. (Original) The snap away musical instrument pick of claim 1, wherein the sheet of material is flat.

13. (Original) The snap away musical instrument pick of claim 1, wherein the picks bear graphical images.

14. (Currently amended) Snap away musical instrument picks, comprising:

a sheet of material with a plurality of musical instrument picks formed therein, with each pick being formed by at least one gap line defining a perimeter of the pick, with at least one
